Printed colours may not agree with the original. Subject to modifications without prior notice.

DC1 = ex stock

DC3 = delivery within 20 working days ex works with 25% additional charge on gross lamination price

DC4 = delivery within 20 working days ex works with 25% additional charge

DC5 = proEnergyTec profiles, price conditions as colour delivery class, delivery within 30 working days

DC6 = colours other than the 87 profine colours on request

DC1 wood grains = laminated on one and both sides

DC1 plain colours = laminated on one side, laminated on both sides = DC3

DC3 - DC4 wood grains and plain colours = laminated on one and both sides

Base element colour laminated single-sided side – White or Cream systemabhängig

Base element colour laminated both sides – see table

  = single-sided laminate
  = laminate on both sides

BiColor = DC4 – Geometry and colours available as standard
The base element colour is treated analogously to the “colour programme” for laminates on both sides according to inner colour.

Inside-laminated = DC4 – Geometry and colours available as standard

Base element colours laminated on the inside only:
White or Cream (system-dependent)
Black brown or Olive brown when aluminium covers used on outside.

Inside-laminated profiles on Black brown and Olive brown base element may be used only WITH aluminium covers!

DC4 laminate colour range – 2015
